

### **REMARKS**

Claims 1-7 are pending in the application with claim 1 being the only independent claim. Claims 1 has been amended. Claims 1-7 have been rejected under 35 U.S.C. §112, second paragraph as indefinite.

#### **Rejection of claims 1-8 under 35 U.S.C. §112, second paragraph**

The Office Action states that claims have been rejected as indefinite because claim 1 first recites a bundle of tachograph charts and then later recites single tachograph charts. The Examiner asserts that the current recitation of the single tachograph charts makes claim 1 unclear regarding which tachograph chart, (i.e., a first or top, and a second or next tachograph chart) is being referred to.

Independent claim 1 has been amended to clarify which tachograph chart is being referred to. No new matter or limitations have been introduced.

Applicant submits that this rejection has been overcome.

Conclusion

In view of the foregoing, reconsideration and withdrawal of all rejections, and allowance of all pending claims is respectfully solicited.

Should the Examiner have any comments, questions, suggestions, or objections, the Examiner is respectfully requested to telephone the undersigned in order to facilitate reaching a resolution of any outstanding issues.

Respectfully submitted,
